

FAYA™

WALL

TYPE:

PROJECT NAME:

FAYA

_technical data

The Faya collection is designed by Studio PANG and comprises three cone-shaped wall lighting fixtures made of tooled aluminum in the following sizes: diam. 200mm, 300mm and 400mm.

Perfect for any walls – including narrow corridors – these three fixtures have been designed to be used individually or with 2 or 3 elements arranged together.

This project combines superior product flexibility with an innovative lighting concept that produces pleasant indirect light – diffused and glare-free – in countless application situations, and also enables total freedom in terms of design creativity. It's not just a simple wall lighting fixture but a highly versatile system that transmits light that's very kind to the eyes.

Frame: matte white metal.

Diffuser: matte white metal, matte black, brushed gold, brushed bronze.

BI: Matte White

NE: Matte Black

BR: Brushed Bronze

OR: Brushed Gold
