

RONDO™

SERIES

rondo

technical data

The elegance of Murano glass stands out in the Rondò collection of lamps. This choice reinterprets with lightness and absolute originality the charm of the historic but always fascinating candle chandeliers. Around the chromed-plate metal frame the "chinette" fabric lampshades are arranged in a combination with glass decorative elements, called "pastoral" according to the Murano tradition of glass in different colors. The collection sublimely combines past and present and its distinct style is guaranteed to characterize any interior furnishing.

Frame: chromed metal.

Glass: handmade "pastorals" in the colors: white, black and transparent crystal.

Diffuser: "chinette" lampshades in the colors: ivory, black and white.
